Terminal Disclaimer

1) The terminal disclaimer filed on 1/29/07 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of US Pat. No. 6,716,015 has been reviewed and is accepted. The terminal disclaimer has been recorded.

EXAMINER'S AMENDMENT

2) An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE SPECIFICATION:

Please replace paragraph [1] of **RELATED APPLICATION DATA** with the following paragraph below:

--This application is a divisional of copending and commonly assigned United States Application Serial Number 09/995,243, now US Patent No. 6,716,015 filed November 26, 2001, entitled **IMPROVED DISTRIBUTION SYSTEM FOR A PASTILLATION MACHINE**.--

REASONS FOR ALLOWANCE

3) The following is an examiner's statement of reasons for allowance: It is the examiner's position that given the scope of claim limitations applicant had put forth in the amendment after final on 11/27/06 that the claim limitations overcame the prior art rejections of Freeman US Pat. No. 4,764,409 and Wycech US Pat. No. 6,003,274 as well overcame the 112 rejections put forth by examiner regarding the scope of inventive claim pertaining to the limitations put forth on said claimed "diffuser bar". However the new scope of limitations on independent claim 1 brought in potential ODP issues with its parent application 09/995243, thus the filing of a terminal disclaimer approved for submission by the USPTO overcomes said ODP and puts the case in condition for allowance. Please see Attorney Remarks for further details.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to G. Nagesh Rao whose telephone number is (571) 272-2946. The examiner can normally be reached on 9AM-5PM.
